Message from the President

Happy New Year!

I hope that everyone had a great Christmas and was able to spend time with family and loved ones. This time of year, should be fun and hopeful as we move into a new year full of fresh promise and hopefully an end to some of the issues that have been plaguing us for a while.

With that being said, it is time for us to look at the upcoming year and begin to concentrate on the projects and events that make up our Hibernian calendar. In just two and a half months is St. Patrick's Day, we have a lot to do in the way of preparations and coordination and the sooner we get started, the better things will go when the time arrives. Remember the Parade will be on March 15, the Saturday

before the actual day. We need as many people as we can get at all of the events, especially the Flag Raising. In recent years there has been more red tape and almost an indifference from the Governor's Office, so we need a show of numbers to make sure that nothing like that happens again.

Almost exactly a month after that is Easter and then Virginia City is again looming on the horizon. That is only half the year, and it is a busy time for us all, especially as we continue to build our numbers and our coffers fo0r the future.

I hope that we can get all of you back into the events that shape our Hibernian Community and influence the future through our events, recruiting and fundraising. Hope to see you all at the meetings and the events.
